20th June 2018

To all Parents/Carers of Year 6 children

Dear Parent/Carer

Crucial Crew

Your child will be taking part in the 'Crucial Crew' programme. 'Crucial Crew' is a national personal safety programme for Year 6 pupils. The children will be presented with scenarios - making a 999 call and a mock fire scene being two of them.

The programme will take place at West Suffolk College on Thursday 5th July starting at 12:45pm. We will have lunch early so that we can arrive at West Suffolk College on time and will be back at school for the end of the day for normal collection arrangements.

Children will need to wear trousers to school on the day as there is a possibility they will need to lie on the floor for a mock first aid scenario. If girls do not have school uniform trousers any other trousers may be worn.

If your child is asthmatic or diabetic, you must ensure that any appropriate medication is given to the class teacher first thing in the morning. **Children will not be taken if their medication is not provided.**

Children may be photographed during the session.

Parent volunteers to walk children up to the College would be appreciated. Please contact the School Office if you will be available to help.

Yours sincerely

Sue Herriott
Headteacher
