23rd October 2024

Dear Year 5 parents,

As has been communicated to parents already, as a school we have focused a lot of attention over the last year on developing an enriching and effective Reading curriculum to promote a lifelong enjoyment of reading for our pupils.

After half term, our class text in Year 5 will be 'Sky Hawk' by Gill Lewis. This was highly popular last year. To help bring this story to life, as well as to provide a magical in-school experience before Christmas, we are excited to have organised a visit from the Lavenham Falconry on 21st November. The Lavenham Falconry will bring a selection of birds of prey into school to do a flying display in the school hall, as well as a talk to the children about the birds.

This visit will also complement our Science topic next half term, Living Things and Their Habitat, focusing on different animal life cycles. This experience will also generate some exciting writing in our English work. The cost of this visit is £4.50.

Please indicate whether you would like your child to participate in this activity by logging into Schoolmoney to make payment and consent by Thursday 7th November.

There is no obligation to contribute and pupils will not be treated any differently according to whether or not their parents have made a contribution. However, this activity may not take place if parents are reluctant to support it, resulting in insufficient contributions being received. Activities will be cancelled at the discretion of the Headteacher and/or Governing Body.

If your child is unwell or unable to attend on the day, a refund may be considered but will be dependent on the terms of payment agreed with the company.

We ask that parents do not discuss the bird of prey visit with their children beforehand, for the simple reason that we think this would be a wonderful surprise on the day. Thank you for all your support funding the additional activities which will help to enrich the curriculum this year.

Kind regards,

The Year 5 Team

The joy of creating endless possibilities through; kindness, integrity, compassion and endeavour.
