

History Intent Statement

Our aim at Guildhall Feoffment Primary School is that, through the teaching of History, we stimulate all children's interest and understanding about the life of people who lived in the past. We teach children a sense of chronology, in order to develop a sense of identity and a cultural understanding based on their historical heritage. This enables our children to learn to value their own and other people's cultures in modern multicultural Britain. We aim to make all children aware of the actions of important people in history and enable children to know about significant events in British history, whilst appreciating how things have changed over time. To aid this, we deliver the History curriculum as much as possible in chronological order, so that the children appreciate the narrative of global civilizations and our country. This will ensure our children understand how Britain developed as a society, contributing to their understanding of their country of residence. Furthermore, our children will learn about aspects of local, British and Ancient history. This wider awareness leads to the children having some knowledge of historical development in the wider world. We believe that by allowing the children to understand the importance and enjoyment of History through different opportunities, they will become enthused learners in History. In History at our school, we will also give children opportunities to develop their skills of enquiry, investigation, analysis.
