

# Contextual Safeguarding- February 2024

The money that we raise from our Number Day will help the NSPCC run its Speak out Stay safe programme, to help children understand what abuse is and what to do if they're scared or worried.

## All children have the right to:

- ✓ speak out and be heard
- ✓ be safe
- ✓ get help when they need it.

Call Childline on **0800 1111** or visit [childline.org.uk/kids](https://childline.org.uk/kids)

Childline is a service for children and young people to use when they are scared or worried about anything.

You can get in touch on the phone or online and can speak to Childline about anything you want to.
