Teachers! Write your pupil log-in details in here.

### Poems

Have fun exploring different types of poems while improving your handwriting too:

- Copy the raindrop shape poem neatly.
- Now write down some interesting words to describe a volcano.
- Have a go at writing the volcano shape poem.

For more fun activities type 'poem' into Letter-join's Search bar and try:

- Haiku Poems
- Kennings
- Riddles
- Limericks

### French/Spanish

Practise your handwriting in another language. Learn to write, read and say the phrases and sentences:

- Start with the Farm Animals worksheet.
- Read the French or Spanish name for each animal.
- Complete the sentence neatly for each one.
- Have a go at saying each sentence in your chosen language.
- Now try the Zoo Animals worksheet.

For more practice type 'french' or 'spanish' into the Search bar to find:

- My clothes
- The beach
- The café
- Prepositions

**Explore a new word every week:**

- Choose a word from one of the science worksheets.
- Use a dictionary or thesaurus to find out about your word.
- Complete the Word of the Week template.

### Science

Practise neat handwriting and learn some science facts as well:

- Start with the Parts of a Flower worksheet.
- Read through the functions of the parts of a flower and copy neatly.
- Can you work out how to correctly label the flower parts using this information?
- Now try the Properties of Materials worksheet.
- You can use a dictionary to help find out what the words mean.

### Magic Words

You can practise the spellings of all the new words you have learnt for French, Spanish, science and English with Magic Words!

## Shape Poems

A shape poem is a type of poetry that describes an object and is shaped the same as the object the poem is describing.

Read and copy this shape poem.

Drip,  
Drip, drop,  
Trickling down  
The window slowly.  
Pitter, patter, faster and  
Faster, until it's pouring.  
Suddenly, a loud crack of  
Thunder! Now the rain  
Is like a noisy  
Waterfall.

---

---

---

---

---

---

---

Now make up your own poem about a volcano in the shape below.

## Farm Animals: Les animaux de la ferme

Write each sentence in French. The first one has been done for you.

On the farm there is... À la ferme il y a...

un cheval

À la ferme il y a un cheval.

une vache

un âne

un mouton

un cochon

une chèvre

un canard

un coq

## Farm Animals: Los animales de granja

Write each sentence in Spanish. The first one has been done for you.

On the farm there is... En la granja hay...

un caballo

En la granja hay un caballo.

una vaca

un burro

una oveja

un cerdo

una cabra

un pato

un coq

## Word of the Week

Write this week's word six times:

_____	_____	_____
_____	_____	_____

Use a dictionary to find the definition of this week's word:

_____
_____

Write some synonyms of this week's word:

_____	_____	_____
_____	_____	_____

Write some antonyms of this week's word:

_____	_____	_____
_____	_____	_____

Write some sentences using this week's word:

_____
_____
_____
_____
_____

## Parts of a Flower

Copy the functions of the parts of a flower in your best handwriting.

The stigma is on top of the carpel.

The style holds up the stigma.

The ovary contains the eggs.

The anther is at the top of the stamen.

The filament holds up the anther.

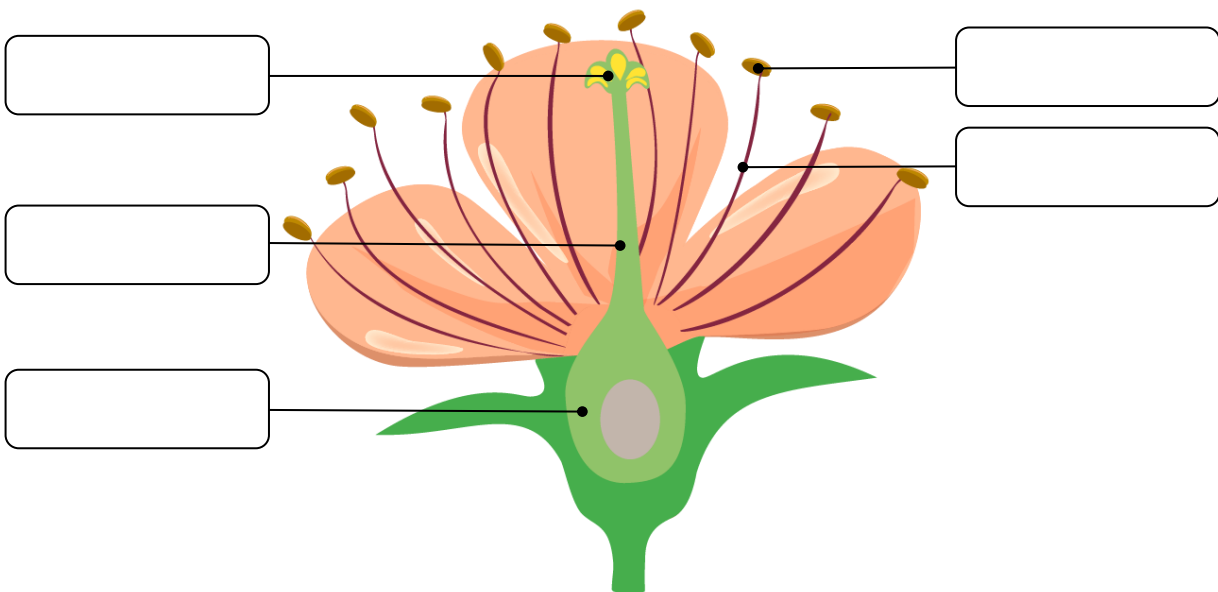

Label the parts of a flower using printed letters:

The carpel (female parts)

stigma style ovary

The stamens (male parts)

anther filament

Can you find out about pollination in flowering plants?

# Properties of Materials

The objects around us are made from different materials. Materials are either man-made, like paper and glass, or natural, like stone and sand.

Here is a list of materials. Sort them into two groups:

sand

concrete

silk

glass

stone

cardboard

plastic

wool

paper

wood

Natural
