

Guildhall Feoffment Maths Newsletter

July Edition

This month's maths newsletter is a special edition— it is a chance for you to introduce yourself to your new teacher and classmates through maths.

Complete one of the **All About Me in Maths** or **Figure Me Out Maths** sheets by writing numbers or calculations which equal numbers that match some fun facts about yourself.

There are a selection of sheets to chose from or you could always create your own version—have a look at the examples to give you some inspiration.

I very much look forward to seeing your efforts and I bet that your teachers will be excited to learn some interesting facts about you and love having something fun to put up on their maths display.

Figure Me Out!

My age: 17×2 My shoe size: $20 \div 2$ My Birth Month: $16 \div 4$

My birthdate: 2^2

This is me:

The number of people in my family: $24 \div 8$

The number of letters in my name: $72 \div 9$

The typical voice level of our classroom: $24 \div 12$

The number of pets I own: $6 \div 6$

How many vacations I have been on: $64 \div 8 \times 1$

The number of States I have visited: 5×3

The number of Brewer Games I've been to: $21 \div 3$

2 sisters

2 dogs

My name is **Stephanie**
