Pancake Day

By Jess

Hello and welcome to the article all about Pancake Day! Today we will explore the history of Pancake Day and why we celebrate it!! This year, Pancake Day is on Tuesday the 17th of February 2026!!

THE HISTORY OF PANCAKE DAY!

Pancake Day (Shrove Tuesday) originates from the Christian tradition of using up rich ingredients like eggs, milk, and sugar before the start of Lent, a 40-day fasting period before Easter, with pancakes being the perfect way to use these before they were given up. The name "Shrove" comes from the Anglo-Saxon practice of "shriving" (confession and absolution of sins) on the day

before Ash Wednesday, often announced by a bell, the "pancake bell".

WHY DO WE CELEBRATE PANCAKE DAY?

Pancake Day, also known as Shrove Tuesday, is celebrated as the feast day before the start of Lent on Ash Wednesday. It is an important part of the Christian calendar, marking the time that Jesus spent fasting in the desert. On Shrove Tuesday, Anglo-Saxon Christians went to confession and were "shriven" (absolved from their sins). The day is used as a traditional feast day before the start of Lent, and pancakes are the perfect way to use up eggs and fats before embarking on the Lenten fast. The tradition of tossing or flipping pancakes is almost as old as the pancake itself, symbolizing the act of using up these ingredients.

Facts about

bunnies! by

Ariella

Now, obviously i cant talk about the easter bunny himself because its alot of secret information and we dont want to be responsible if he gets found out. BUT we can talk about his bunny relatives, so lets get on with it!

- A baby bunny is called a kit and a female bunny is called a doe and a male bunny is called a buck!
- Bunnies perform an athletic leap known as the 'binky' when they're happy-doing twists in mid air.
- Like cats bunnies purr when they are relaxed and calm.
- The oldest bunny ever (Flopsy) was 18 years old when she died and entered the Guinness book of records
- Bunnies cannot vomit: their oesophagus is designed to only move in one direction which is important because it is a trait of a balanced diet!

VALENTINES DAY

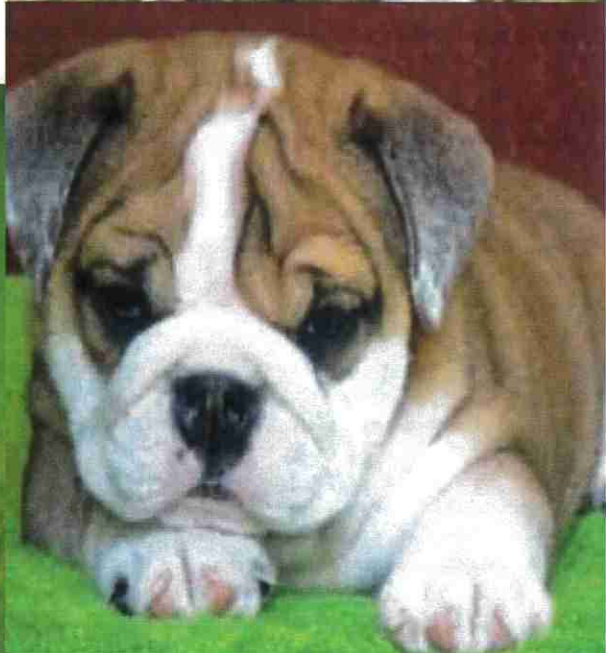

WELCOME TO MY VALENTINES DAY ARTICLE. INSIDE WE WILL EXPLORE THE HISTORY OF VALENTINES DAY, WHY IT IS IMPORTANT AND WHY WE CELEBRATE IT!!

HISTORY OF VALENTINES DAY

VALENTINE'S DAY ORIGINATED FROM A BLEND OF ANCIENT ROMAN FERTILITY RITUALS {LUPERCALIA} AND CHRISTIAN EFFORTS TO HONOUR MARTYRS NAMED ST VALENTINE IN MID- FEBRUARY. IT IS PRIMARILY LINKED TO ST. VALENTINE, A 3RD-CENTURY ROMAN PRIEST WHO DEFIED EMPEROR CLAUDIUS II BY MARRYING COUPLES IN SECRET.

Here are some puppies By:Harrisonhi

WHY IS VALENTINE'S DAY IMPORTANT

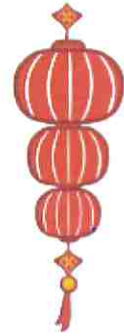

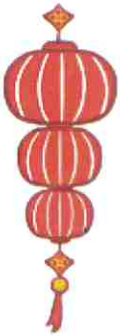

VALENTINE'S DAY IS IMPORTANT BECAUSE IT CELEBRATES LOVE IN ALL ITS FORMS—ROMANTIC, FAMILIAL, AND PLATONIC—STRENGTHENING HUMAN CONNECTIONS AND FOSTERING EMOTIONAL BONDS.

WHY DO WE CELEBRATE IT

VALENTINE'S DAY IS CELEBRATED ON FEBRUARY 14TH TO HONOR SAINT VALENTINE, A 3RD-CENTURY ROMAN PRIEST WHO DEFIED EMPEROR CLAUDIUS II. IT MERGES ANCIENT ROMAN FERTILITY FESTIVALS WITH CHRISTIAN TRADITIONS, EVOLVING OVER CENTURIES INTO A CULTURAL CELEBRATION OF ROMANTIC LOVE, AFFECTION, AND MORE.

Chinese New Year

By Sylvie

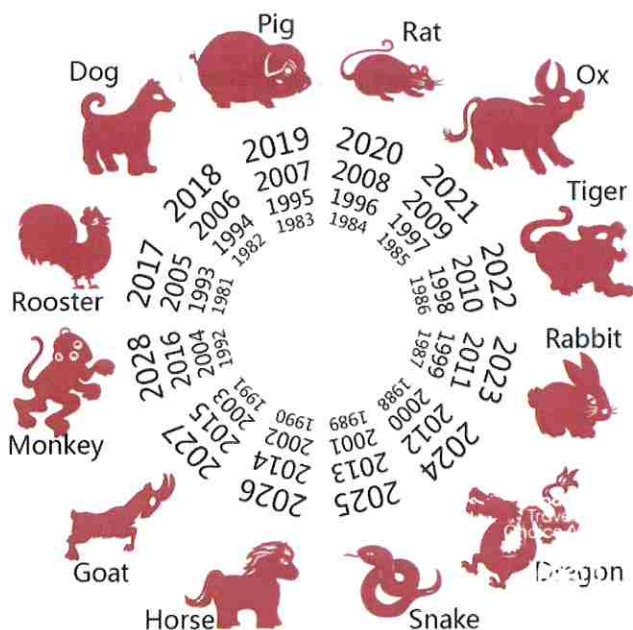

Commencing on the 17th of February, Chinese New Year is a Chinese festival of light. The tradition is based on a cultural story where the Jade Emperor hosted a race across a river. He promised the first 12 across the river a year to be named after them. Along with a few other folk stories, this was how the festival was born.

Many Chinese cities have dragon parades to mark the beginning of the festivities. Then families have feasts and stay up until midnight.

Some people believe that it is bad luck to have sharp objects around during the Chinese celebrations or sweeping the house.

This year is the year of the Horse. Those who were born in the year of the horse are believed to be active, independent, popular and honest. If you were born in 2014, 2002, 1990, 1978, 1964 or 1952 after around February 2nd this is your Zodiac year.
